Lake Crescent Lodge

Historic Lake Crescent Lodge, built in 1916 as "Singers Tavern" in Olympic National Park serves as an ideal base camp for the variety of recreational activities in the park while allowing you to experience the charm of a turn-of-the-century resort. The comfortable, spacious guest rooms are nestled among the giant fir and hemlock trees on the shore of beautiful Lake Crescent and offer wonderful views of the lake. The simple elegance of yesteryear in the antique furnished lobby is conducive to relaxation as you unwind by the stone fireplace and the wicker-cozy sun porch is the perfect spot for enjoying a spectacular sunset over the lake.
